

Honest finders deserve a Reward!

Thank you for your help in returning this labelled token to its owner. You probably checked on our website reward.openfortress.nl that this label is indeed good for a reward. It also tells you how much you will receive. We will try to refund you for sending the materials to us.

Choose below how you want to be rewarded. The information under the options are needed to send the reward to you. Of course we have to provide this information to the website that sends you your reward.

Books, DVDs, ... amazon.com amazon.de
We shall send you a gift certificate.
